PHOTOGRAPHY

On the day we promise a no-fuss, no-stress fun photographic experience, producing stunning photography containing memories that will last a lifetime.

We are renowned for having no hidden costs in any of our packages. We work on a 'fee for service' basis, rather than an hourly rate, and are dedicated to capturing all the important moments of your day. As part of this service we like to attend your wedding rehearsal, and visit possible photo locations prior to the day. This is included in all of our packages, at no additional cost.

We have an assortment of packages, with something to suit everyone's needs and budget. Each of these packages can be adapted, or a package can be tailored uniquely for you. We would love to meet with you on a no-obligation basis to discuss your wedding photography. Please contact us to make an appointment.

I look forward to hearing from you.

## Trash the Dress

Trash the Dress, is an alternative wedding shoot for those people looking for something a little bit different. It is not for everyone.

Why not head to the beach at sunset and play in the waves, or explore the farm on the back of a tractor. There are varying degrees as to how far you have to go to trash your dress. It's really up to you.

Let's face it your wedding dress is never going to be worn again, so why not have some fun capturing stunning images unlike any other. They will definitely prove to be a talking point in your wedding album. This is a service that can be added to any wedding package, or done as an alternative photographic experience at a time that suits you.

## Engagement Portraits

This is an opportunity to capture some stunning intimate portraits of the two of you, before your big day. It is a great way for us to get to know each other, in a relaxed environment and for you to get comfortable with the idea of being photographed. We are more than happy for these images to be used to personalise your wedding invitations.
